Fund objectives and investment policy

The fund aims to provide capital growth in excess of the MSCI World (Net Total Return) (GBP) index (after fees have been deducted) over a 3 to 5 year period by investing in equities of companies worldwide.

For details of the fund's investment policy please refer to the fund's Key Investor Information Document (KIID).

Relevant risks associated with an investment in this fund are shown overleaf and should be carefully considered before making any investment.

Past Performance is not a guide to future performance and may not be repeated. The value of investments and the income from them may go down as well as up and investors may not get back the amounts originally invested. Exchange rate changes may cause the value of any overseas investments to rise or fall.

Information relating to changes in fund manager, investment objective, benchmark and corporate action information

Some performance differences between the fund and the benchmark may arise because the fund performance is calculated at a different valuation point from the benchmark. The fund's performance should be assessed against its target benchmark, being to exceed the MSCI World (Net Total Return) (GBP) index. The investment manager invests on a discretionary basis and is not limited to investing in accordance with the composition of the benchmark.

Benchmarks:

The investment manager invests on a discretionary basis and there are no restrictions on the extent to which the fund's portfolio and performance may deviate from the benchmark. The investment manager will invest in companies or sectors not included in the benchmark in order to take advantage of specific investment opportunities.

Important information

Costs

Certain costs associated with your investment in the fund may be incurred in a different currency to that of your investment. These costs may increase or decrease as a result of currency and exchange rate fluctuations.

If a performance fee is applicable to this fund, details of the performance fee model and its computation methodology can be found in the fund's prospectus. This includes a description of the performance fee calculation methodology, the dates on which the performance fee is paid and details of how the performance fee is calculated in relation to the fund's performance fee benchmark, which may differ from the benchmark in the fund's investment objective or investment policy.

For further information regarding the costs and charges associated with your investment, please consult the funds' offering documents and annual report.
