

A Accumulation GBP | Data as at 31.03.2022

## Fund objectives and investment policy

The fund aims to provide capital growth in excess of the Tokyo Stock Exchange 1st Section (Gross Total Return) index (after fees have been deducted) over a 3 to 5 year period by investing in equities of Japanese companies.

For details of the fund's investment policy please refer to the fund's Key Investor Information Document (KIID).

Relevant risks associated with an investment in this fund are shown overleaf and should be carefully considered before making any investment.

Past Performance is not a guide to future performance and may not be repeated. The value of investments and the income from them may go down as well as up and investors may not get back the amounts originally invested. Exchange rate changes may cause the value of any overseas investments to rise or fall.

A Accumulation GBP | Data as at 31.03.2022

### 10 year return of GBP 10,000

The chart is for illustrative purposes only and does not reflect an actual return on any investment.

Returns are calculated bid to bid (which means performance does not include the effect of any initial charges), net income reinvested, net of fees.

### Risk considerations

**Performance risk:** Investment objectives express an intended result but there is no guarantee that such a result will be achieved. Depending on market conditions and the macro economic environment, investment objectives may become more difficult to achieve.

**Please see the KIID and Prospectus for a full list of risk considerations applicable to this fund.**

### Synthetic risk & reward indicator (SRI)

**LOWER RISK** Potentially lower reward **HIGHER RISK** Potentially higher reward

The risk category was calculated using historical performance data and may not be a reliable indicator of the fund's future risk profile. The fund's risk category is not guaranteed to remain fixed. Please see the Key Investor Information Document for more information.

## Information relating to changes in fund manager, investment objective, benchmark and corporate action information

Some performance differences between the fund and the benchmark may arise because the fund performance is calculated at a different valuation point from the benchmark. The fund's performance should be assessed against its target benchmark, being to exceed the Tokyo Stock Exchange 1st Section (Gross Total Return) index, and compared against the Investment Association Japan sector average return. The investment manager invests on a discretionary basis and is not limited to investing in accordance with the composition of the benchmark.

### Benchmarks:

Masaki Taketsume replaced Andrew Rose as Fund Manager for this fund on 01.07.2019.

The investment manager invests on a discretionary basis and there are no restrictions on the extent to which the fund's portfolio and performance may deviate from the benchmark. The investment manager will invest in companies or sectors not included in the benchmark in order to take advantage of specific investment opportunities.

## Important information

---

### Costs

Certain costs associated with your investment in the fund may be incurred in a different currency to that of your investment. These costs may increase or decrease as a result of currency and exchange rate fluctuations.

If a performance fee is applicable to this fund, details of the performance fee model and its computation methodology can be found in the fund's prospectus. This includes a description of the performance fee calculation methodology, the dates on which the performance fee is paid and details of how the performance fee is calculated in relation to the fund's performance fee benchmark, which may differ from the benchmark in the fund's investment objective or investment policy.

For further information regarding the costs and charges associated with your investment, please consult the funds' offering documents and annual report.
