- (b) it is appropriate in the opinion of the CA Board, having obtained the advice of the CA Chief Actuary, in order to comply with that right or option to issue a new Policy,

such person shall be entitled to require that the obligation thereby arising shall be satisfied by the issue by CA of a Policy which complies with the terms of such right or option, but (without prejudice to the right of such person to have the right or option satisfied by the issue by CA of such a Policy) if CA is not at the time of the exercise of such right or option writing Policies complying exactly with the Policy to which such right or option refers, CA shall be entitled to offer to such person as an alternative (and, if accepted, in lieu thereof) the Policy commonly offered by CA which CA considers to be the nearest equivalent Policy in accordance with the terms and conditions applicable to Policies of CA at that time, provided that (i) the CA Board is satisfied, having obtained appropriate advice, that accepting such alternative Policy would not have a material adverse effect on the interests of the relevant person and (ii) the issue of such alternative Policy would not in the opinion of the CA Board (having regard to appropriate advice) result in a liability or in an increase in liability to taxation of the holder of such Policy (or, in the event that such liability or increase in liability would occur, CA shall have the option to indemnify the policyholder in full and to issue another Policy pursuant to this paragraph).

5.5 All references relating to the Transferred Business in any Transferred Policy or any other agreement or document (including in a contract to which CASLP is party, a contract to which CASLP is not party or elsewhere and whether in writing or not) to CASLP, its board of directors, its Actuary or any other officers, employees or agents of CASLP shall from and after the Transfer Date be read as references to CA, the CA Board, the CA Chief Actuary or any other officers, employees or agents of CA respectively, as appropriate. In particular, but without limitation, all rights and duties exercisable or expressed to be exercisable or responsibilities to be performed by CASLP, its board of directors, Actuary or any other officers, employees or agents of CASLP in relation to any Transferred Policy or other agreement or document relating, in each case, to the Transferred Business (including in a contract to which CASLP is party, a contract to which CASLP is not party or elsewhere and whether in writing or not) shall, from and after the Transfer

Date, be exercisable or required to be performed by CA, the CA Board, the CA Chief Actuary or any other officers, employees or agents of CA respectively, as appropriate.

- 5.6 The transfer of any rights, benefits, liabilities and obligations under or in connection with any Transferred Policy, Transferred Asset, Residual Asset, Transferred Liability or Residual Liability pursuant to this Scheme shall take effect and shall be valid and binding on all parties having any interest in the same notwithstanding any restriction on transferring, assigning or otherwise dealing with the same and such transfer shall be deemed to take effect on the basis that it does not contravene any such restriction and does not give rise to any right to terminate, modify, acquire or claim an interest or right, or to treat an interest or right as terminated or modified.
- 5.7 CA shall, on and from the Transfer Date, take over from CASLP the administration and negotiation of proposals for insurance which would be Transferred Policies if CA determined to accept them (but whether or not CA does so determine). CA shall bear all expenses and liabilities in relation thereto and any liability in relation to interim death benefits. Nothing contained herein shall oblige CA to accept any proposal for insurance received by or on behalf of CASLP before the Transfer Date but not accepted by CASLP by then.

6 Excluded Policies

- 6.1 Subject to paragraph 6.3, the Excluded Policies shall not be transferred to CA by this Scheme and all liabilities attributable to the Excluded Policies shall remain liabilities of CASLP and be fully reinsured with effect from the Transfer Date on the following basis:
- (a) all liabilities of CASLP attributable to the Excluded Policies (other than the Excluded Policies that are Sanctioned Policies) and all other amounts paid or payable by CASLP in respect of the Excluded Policies (other than the Excluded Policies that are Sanctioned Policies) shall be reinsured in their entirety to CA on and with effect from the Transfer Date (or in the case of liabilities arising in respect of any Policy issued by CASLP pursuant to paragraph 6.2, on and with effect from the date on which such Policy is issued);
 - (b) the liability of CA on and with effect from the Transfer Date shall be such that it will cover the full liability of CASLP in respect of the rights, benefits and powers provided to holders of Excluded Policies (other than the Excluded Policies that are Sanctioned Policies but including any Policy issued by CASLP pursuant to paragraph 6.2) shall, to the extent possible, be the same as the rights, benefits and powers which would have been provided to such holders if the Excluded Policies had been Transferred Policies;
 - (c) CA shall assume from CASLP the administration of Excluded Policies (other than the Excluded Policies that are Sanctioned Policies) and shall bear all expenses and liabilities in relation thereto, save as otherwise agreed in writing between the parties; and
 - (d) unless CASLP and CA agree otherwise in writing, the premiums payable by CASLP to CA in connection with the provision of the reinsurance described in this paragraph 6.1 shall comprise an amount equal to:
 - (i) the aggregate amount of the technical provisions relating to those Excluded Policies immediately prior to the Transfer Date (provided that such amount shall be deemed to have been paid to CA by reason of the transfer of the Transferred Assets to CA pursuant to this Scheme); and

- (ii) all subsequent premiums received by CASLP in respect of such Excluded Policies at any time after the Transfer Date, which premiums shall be paid to CA as soon as practicable after they are received.

6.2 If any person entitled to do so with respect to an Excluded Policy exercises any right or option granted under the terms of that Policy and either:

- (a) the right or option provides for a new, additional or replacement Policy to be issued; or
- (b) it is appropriate in the opinion of the CA Board, having obtained appropriate actuarial advice, in order to comply with that right or option to issue a new Policy,

such person shall be entitled to require that the obligation thereby arising shall be satisfied by the issue by CASLP of a Policy which complies with the terms of such right or option but (without prejudice to the right of such person to have the right or option satisfied by the issue by CASLP of such a Policy):

- (i) CA shall be entitled to offer to such person as an alternative (and, if accepted, in lieu thereof) a Policy which complies with the terms of such right or option; and
- (ii) if CA is not at the time of the exercise of such right or option writing Policies complying exactly with the Policy to which the right or option refers, CA shall be entitled to offer to such person as an alternative (and, if accepted, in lieu thereof) the Policy commonly offered by CA which CA considers to be the nearest equivalent Policy, in accordance with the terms and conditions applicable to Policies of CA at that time, provided that (i) the CA Board is satisfied, having obtained appropriate advice, that accepting such alternative Policy would not have a material adverse effect on the interests of the relevant person and (ii) the issue of such alternative Policy would not in the opinion of the CA Board (having regard to appropriate advice) result in a liability or in an increase in liability to taxation of the holder of such Policy (or, in the event that such liability or increase in liability would occur, CA shall have the option to indemnify the policyholder in full and to issue another Policy pursuant to this paragraph).

6.3 If all consents, orders, permissions or other requirements for the transfer or novation of an Excluded Policy from CASLP to CA are obtained (or in the case of an Excluded Policy falling within paragraph (b) of the definition of Excluded Policies, if CASLP and CA agree the transfer should take effect):

- (a) such Excluded Policy shall be transferred to CA, and shall thereafter be treated in all respects, as if it were a Transferred Policy and not an Excluded Policy; and
- (b) all property relating to, and any liability attributable to, such Excluded Policy shall be transferred to CA and shall thereafter be treated in all respects as if it were a Transferred Asset or a Transferred Liability, as the case may be.

7 Premiums, Mandates and Other Payments

7.1 All premiums attributable or referable to the Transferred Policies shall, on and after the Transfer Date, be payable to CA (or its nominee) and shall on and with effect from the Transfer Date be receivable and received by CA (or its nominee), and shall be allocated to the Non-Profit Fund.

- 7.2 Any mandate or other instruction in force on the Transfer Date or, in the case of an Excluded Policy, the date it is transferred to CA in accordance with paragraph 6.3 (including in each case any instruction given to a bank by its customer in the form of a direct debit or standing order) and providing for the payment by a bank or other intermediary of premiums or other amounts payable to CASLP (or its nominee) under or in respect of any Transferred Policy or Transferred Asset shall thereafter take effect as if it had provided for and authorised such payment to CA (or its nominee).
- 7.3 Any mandate or other instruction in force on the Transfer Date or, in the case of an Excluded Policy, the date it is transferred to CA in accordance with paragraph 6.3, as to the manner of payment of any sum payable by CASLP (or its nominee) under any of the Transferred Policies shall, on and from such date, continue in force as an effective authority to CA (or its nominee).

8 Declaration of Trust by CASLP

- 8.1 If any asset of CASLP, other than any rights, benefits or powers of CASLP under the Excluded Policies Reassurance Agreement, is not transferred to and vested in CA on the Transfer Date by reason of such asset being a Residual Asset or for any other reason then CASLP shall, with effect from the Transfer Date (but save to the extent that giving effect to such a trust would require a consent or waiver which has not been obtained or that such a trust would not be recognised by any applicable law or that CASLP and CA agree in writing not to give effect to such a trust for any reason), hold such asset, together with any proceeds of sale or income or other right accrued or return arising in respect thereof, as trustee for CA.
- 8.2 Unless otherwise agreed by CASLP and CA, CASLP shall be subject to CA's directions in respect of any assets referred to in paragraph 8.1 from the Transfer Date until they are transferred to or otherwise vested in CA or disposed of (whereupon CASLP shall account to CA for the proceeds of sale thereof), and CA shall have authority to act as CASLP's attorney in respect of such property for all such purposes.
- 8.3 Unless otherwise agreed by CASLP and CA, in the event of any payment being made to, property being received by, or right being conferred upon CASLP after the Transfer Date in respect of the Transferred Business, any Transferred Asset or any Residual Asset, CASLP shall, as soon as is reasonably practicable after its receipt, pay over the full amount of such payment or (to the extent to which it is able to do so) transfer such property or right to, or in accordance with the directions of, CA and CA shall indemnify CASLP on demand against any costs incurred in making any such payment or transfer.

9 Indemnities in favour of CASLP

- 9.1 With effect from the Transfer Date, CA shall discharge on CASLP's behalf or, failing that, shall indemnify CASLP against:
- (a) charges, costs and claims arising in respect of all Transferred Liabilities and Residual Liabilities which are not, or are not capable of being, transferred by this Scheme or by a vesting order pursuant to section 112(1) of FSMA (whether made before, on or after the Transfer Date) (other than liabilities which are the subject of paragraph 9.1(b) or paragraph 9.2) until the relevant liability is transferred to or becomes a liability of CA; and
 - (b) any amount paid by CASLP in respect of any Transferred Liabilities and Residual Liabilities of CASLP which are, whether wholly or in part, the subject of a policy of indemnity insurance or a claim or right of recovery against a third party, but only to the extent that CASLP, having made a claim under such a policy or against such third party,

shall have failed to recover any such amount pursuant to rights it may have under such policy, claim or right of recovery (having used reasonable endeavours to do so).

- 9.2 With effect from the Transfer Date, CA shall indemnify CASLP against any costs and/or expenses which it may incur in pursuing any claim under any such policy of indemnity insurance or against any such third party as is referred to in paragraph 9.1(b). Subject thereto, CASLP shall take such steps as CA shall reasonably require in order to pursue the rights it may have under any such policy of indemnity insurance or against any such third party. CA shall be entitled, upon notice to CASLP, to have conduct of all litigation or other proceedings in respect of any such claim. In that connection, CASLP shall give all such assistance as CA may reasonably require in conducting any such proceedings.

Part D – Fund Structure

10 Purpose of Allocations

- 10.1 Any allocation of property or attribution of liabilities, and any re-allocation or re-attribution of the same, which is made under the terms of this Scheme is for the purpose of establishing policyholder entitlements from time to time and shall not be taken to limit the availability of all the property from time to time of CA to meet the liabilities which it is obliged by law to meet.
- 10.2 Subject to compliance with FSMA and all other applicable law and regulation, nothing in this Scheme shall prevent the subsequent reallocation of any Transferred Asset, Transferred Liability, Residual Asset or Residual Liability within the CA Long-Term Insurance Fund.

11 Allocation of Policies

On and with effect from the Transfer Date, the Transferred Policies shall be allocated to the Non-Profit Fund.

12 Allocation of Assets

- 12.1 On and with effect from the Transfer Date all Transferred Assets shall be allocated to the Non-Profit Fund.
- 12.2 On and with effect from the applicable Subsequent Transfer Date, each Residual Asset shall be allocated to the Non-Profit Fund.

13 Allocation of Liabilities

- 13.1 On and with effect from the Transfer Date, the following shall be allocated to the Non-Profit Fund:
- (a) all Transferred Liabilities;
 - (b) all liabilities attributable to the Excluded Policies Reassurance Arrangement;
 - (c) the liability to indemnify CASLP pursuant to paragraph 8.3; and
 - (d) the liability to discharge liabilities on CASLP's behalf, or failing that to indemnify CASLP, pursuant to paragraphs 9.1 and 9.2.
- 13.2 On and with effect from the applicable Subsequent Transfer Date, each Residual Liability shall be allocated to the Non-Profit Fund.
- 13.3 If any doubt or difference shall arise as to the allocation or attribution of any Transferred Asset, Transferred Liability, Residual Asset or Residual Liability in accordance with this Scheme, the same shall be determined by the CA Board, having regard to advice from the CA Chief Actuary.

14 Linked Funds

- 14.1 On and with effect from the Transfer Date the property and any associated liabilities comprised in each Linked Fund of CASLP shall be allocated to and become comprised in a corresponding Linked Fund of CA within the Non-Profit Fund, comprising immediately following the Transfer Date the same number and value of units as were comprised within the relevant Linked Fund of CASLP immediately prior to the Transfer Date.

- 14.2 On and with effect from the Transfer Date:
- (a) subject always to the provisions of paragraph 8.1, in relation to any benefits under Transferred Policies which are linked to a Linked Fund of CA pursuant to paragraph 14.1, CA shall become entitled to the same rights and powers and be subject to the same duties and liabilities as applied to CASLP in relation to the corresponding Linked Fund of CASLP immediately prior to the Transfer Date; and
 - (b) benefits under any Transferred Policy which, immediately prior to the Transfer Date, were linked to any one or more Linked Fund(s) of CASLP shall become linked to the corresponding Linked Fund(s) of CA and CA shall allocate to each such Transferred Policy the same number and classes of units in the corresponding Linked Fund(s) of CA as the number and classes of units in the relevant Linked Fund(s) of CASLP which were allocated to the Transferred Policy immediately prior to the Transfer Date.
- 14.3 If any property comprised in a Linked Fund of CASLP falls within the provisions of paragraph 8.1 all interests and rights in relation to such property shall be allocated to the relevant Linked Fund of CA to which such property would, had it been a Transferred Asset, have been allocated.
- 14.4 On and with effect from the relevant Subsequent Transfer Date, each Residual Asset which is comprised in a Linked Fund of CASLP shall be allocated to the Linked Fund of CA to which it would have been allocated pursuant to this paragraph 14 had it been a Transferred Asset.

Part E - Operation of the CA Long-Term Insurance Fund

15 Operation of the Existing CA Schemes

The Existing CA Schemes shall, except as otherwise set out in this Scheme, continue in full force and effect.

16 Maintenance of CA Sub-Funds

Nothing in this Scheme shall at any time prevent CA from:

- (a) establishing and maintaining new sub-funds within the CA Long-Term Insurance Fund and writing in or reinsuring to any such sub-funds any new Long-Term Insurance Business or any business of other sub-funds of CA;
- (b) writing in or reinsuring to any Fund any business;
- (c) writing in or reinsuring to any Fund Policies issued pursuant to rights or options under the terms of the Transferred Policies; or
- (d) establishing and maintaining new Funds or Linked Funds.

17 Merger and closure of former CASLP Linked Funds

17.1 The provisions of this paragraph 17 shall apply to the management of each Former CASLP Linked Fund but not, for the avoidance of doubt, to any other Linked Fund established or maintained by CA either before or after the Transfer Date.

17.2 Subject to all applicable legislation, including any regulatory requirements or rules stipulated by the Regulators, and to the extent not prohibited by the terms of the relevant policies, CA, having regard to the advice of the CA Chief Actuary and the interests of the relevant policyholders, shall be at liberty at any time and from time to time to exercise the following rights where the terms of the relevant policies do not otherwise prescribe a process for making the relevant changes:

- (a) close to new or further investment or amalgamate any Former CASLP Linked Funds, or any part or parts thereof, with any other Linked Fund;
- (b) divide any Former CASLP Linked Funds into one or more Linked Funds;
- (c) wind up any of the Former CASLP Linked Funds in accordance with paragraph 17.3;
- (d) effect any combination of the actions referred to in paragraphs 17.2(a), 17.2(b) and 17.2(c) above; or
- (e) modify or enlarge the investment objectives of any of the Former CASLP Linked Funds to permit investment in assets which are reasonably similar to, or provide reasonably similar investment exposure to, those already held or permitted to be held in that Linked Fund,

on such terms as the CA Board shall consider equitable and fair as between the policyholders affected thereby (having regard to the advice of the CA Chief Actuary).

17.3 If CA intends pursuant to paragraph 17.2(c) to wind up any Former CASLP Linked Funds it shall cancel the units in such Linked Fund allocated to Policies upon issuing to the relevant

policyholders, without charge, in substitution for the cancelled units, new units of an equal value (as determined by the CA Board, having regard to the advice of the CA Chief Actuary) in another Linked Fund. That substitute Linked Fund shall be a fund from among those available from CA at the time to holders of Policies of the same class as the Policies held by the relevant policyholders and which, in the opinion of the CA Board, having regard to the advice of the CA Chief Actuary, provides the nearest equivalent investment exposure to the Linked Fund so wound up.

- 17.4 Where any policyholder may be affected by the application of clause 17.2 and elects to Switch from the Linked Fund to which his Policy is, by its terms, linked into one or more other Linked Fund(s) to which his Policy is, by its terms, linked:
- (a) without prejudice to any entitlement for a policyholder to effect such a Switch under the terms of the Policy, one such Switch shall be permitted by CA, even where such Switch was not permitted under the terms of the Policy, provided it is effected within 12 months after the relevant change has occurred; and
 - (b) any switching charge that would otherwise apply as a consequence of such Switch during the period from the date when he receives notification that his policy may be affected until the date 12 months after the relevant change has occurred shall be waived in respect of the first (but not any subsequent) occasion when such charge would have applied.

If such a Policy is linked to two or more Linked Funds, this paragraph 17.4 shall apply separately in respect of each such Linked Fund that is the subject of the application of paragraph 17.2.

- 17.5 In the event that the CA Board considers, having regard to the advice of the CA Chief Actuary, that any group of policyholders may be disadvantaged financially by any action taken pursuant to the provisions of this paragraph 17, the CA Board shall ensure that appropriate adjustments are made to the property of, or the charges levied on, the applicable Linked Fund in order to provide appropriate compensation to such policyholders.

18 Delay in allocation to the Funds

If there is, for any reason, any delay (for which provision is not expressly made in this Scheme) in the allocation of any receipt, payment or other item to a Fund in accordance with this Scheme, the CA Board, having obtained appropriate actuarial advice and subject to FSMA, shall make such adjustment, including to allow for investment return earned during the period from (and excluding) the Transfer Date to (and including) the date on which such adjustment is made, between such Funds as it considers appropriate in accordance with the principles underlying this Scheme to take account of such delay.

Part F – Other Matters

19 Transferred Pension Schemes

The Transferred Pension Scheme Terms shall be applied so that any right or obligation that is exercisable by or against (as appropriate) the entity listed as 'Provider', 'Administrator' or 'Trustee' (as applicable) in the 'Transferor' column of the table in Schedule 1 immediately before the Transfer Date shall be exercisable by or against (as appropriate) the entity listed as 'Provider', 'Administrator' or 'Trustee' (as applicable) in the 'Transferee' column of the table in Schedule 1 with effect from the Transfer Date.

Part G – Miscellaneous Provisions

20 Transfer Date

- 20.1 This Scheme shall become operative at 23:59 hrs (GMT) on 31 December 2023 or such other time and date as CASLP and CA may agree (being a date and time falling after the making of the Order sanctioning the Scheme).
- 20.2 Unless this Scheme shall have become operative in its entirety on or before 31 March 2024 or such later date, if any, as CASLP and CA may approve and the Court may allow, this Scheme shall lapse.

21 Costs and Expenses

The costs and expenses in relation to the preparation and carrying into effect of this Scheme, whether before, on or after the Transfer Date, shall be borne by Chesnara.

22 Modification or Additions

- 22.1 CASLP and CA may consent to any modification of or addition to this Scheme or to any further condition or provision affecting the same which, prior to its sanction of this Scheme, the Court may approve or impose (for the avoidance of doubt, without prejudice to the position which the Regulators may take in relation to any such modification or addition).
- 22.2 Subject to paragraph 22.4, at any time after the sanction of this Scheme, CA (or, if CASLP is directly affected by the proposed amendment, CASLP and CA jointly) shall be at liberty to apply to the Court for consent to amend its terms, provided that in any such case:
- (a) the Regulators shall be given sufficient written notice of the proposed amendment at least 42 days prior to the making of the application to the Court (unless the Regulators agree to a shorter notice period) and shall have the right to be heard at any hearing of the Court at which such application is considered (including to make representations including as to the appropriate publicity in relation to the proposed amendment);
 - (b) CA has complied with any directions given by the Court as to publicity in relation to the proposed amendment; and
 - (c) such application shall be accompanied by a certificate from an independent actuary to the effect that in his opinion the proposed amendment will not materially adversely affect the interests of the policyholders of CA, including the holders of the Transferred Policies, or the Excluded Policies, including in respect of the security or reasonable expectations of or level of service provided to such policyholders.
- 22.3 If such consent is granted, CA and where applicable CASLP may amend the terms of this Scheme in accordance with such consent.
- 22.4 The consent of the Court shall not be required in relation to minor and/or technical amendments to the terms of this Scheme (including amendments to correct manifest errors) that may be proposed by CA and, where applicable, agreed by CASLP in writing, provided that the Regulators have been notified of the same, by written notice to the relevant department of each Regulator, and have acknowledged receipt of such notice at least 28 days in advance of the amendment being made and have not objected (unless the Regulators have confirmed non-objection prior to that date).

23 Evidence of Transfer

23.1 The production of a copy of the Order and of this Scheme, with any modifications made under paragraph 22, shall for all purposes be conclusive evidence of the transfer to, and vesting in, CA of:

- (a) from the Transfer Date, the Transferred Business, the Transferred Assets and the Transferred Liabilities; and
- (b) from each Subsequent Transfer Date, the Residual Assets and the Residual Liabilities.

24 Third Party Rights

It is not intended that any person who is not a party to this Scheme may enforce any of its terms, whether by virtue of the Contracts (Rights of Third Parties) Act 1999 or otherwise.

25 Governing Law

This Scheme shall be governed by and construed in accordance with English law.
