INTRODUCTION

Each year the Countrywide Assured Board reviews the management of our With Profits policies to make sure we're following the guidelines and practices as outlined in the document '[Principles and Practices of Financial Management](#)' or 'PPFM'. This report provides details of the review for the year 1 January 2023 to 31 December 2023.

Managing With Profits policies involves expert analysis, evaluation and judgement. The PPFM describes in detail how we manage our With Profits business. Every year our regulator requires us to report to our policyholders on how we follow the Principles and Practices of Financial Management, including the results of our review. The report also includes details of any action we take to improve or correct the results if identified as part of the review process.

For more information about the background to the principles and practices, see sections [1.7 - 1.11 of the PPFM](#).

WHO IS THIS REPORT FOR?

This report is for customers with policies originally issued by Save & Prosper Insurance Limited, referred to as 'S&P' in this report. These policies invest in the Countrywide Assured With Profits Fund (S&P Insurance Series), which was created to replace the fund previously set-up by S&P.

Separate reports relating to other With Profits business are [available](#).

Q HOW DOES THIS REVIEW HELP ME?

A A successful company takes care of its customers. For us here at Countrywide Assured, this means looking after your money responsibly and effectively over the long term. This review helps us demonstrate that we are meeting our obligations to both our customers and our regulators.

Q WHY IS THIS PROCESS IMPORTANT?

A Managing our With Profits policies requires expert analysis, evaluation and judgement, and because they are long-term policies, it's important for us to show you, our customers, and our regulators that we take our responsibilities very seriously.

Q HOW ARE YOUR PRACTICES MONITORED?

A Our With Profits Committee has the responsibility of ensuring our practices are doing the job they are designed to do and meet the standards set by our regulator. It operates independently from the main Board of Directors, undertaking regular assessments and resolving any competing or conflicting interests of policyholders and shareholders.

Q HOW OFTEN DO YOU REVIEW YOUR PRACTICES?

A The With Profits Committee undertakes a formal review of our practices once per year. The committee meets at least four times and an independent With Profits Actuary attends each meeting. Last year, this was Karen Miller, an employee of Willis Towers Watson. The committee produces this annual report for policyholders, which includes a report by the appointed With Profits Actuary, see Appendix A.

Q HOW DO YOU DECIDE YOUR PRACTICES ARE COMPLIANT?

A The With Profits Committee regularly assesses our practices and procedures. Each year the appointed With Profits Actuary reports on whether or not our management and practices meet the criteria set out in the 'Principles and Practices of Financial Management'.

Q WHAT HAPPENS IF YOUR PRACTICES ARE NON-COMPLIANT?

A Should the With Profits Committee's assessment differ from those expected or fall short in some way, the With Profits Actuary will include explanations and recommendations on how to address them in their report.
