INTRODUCTION

Each year the Countrywide Assured Board reviews the management of our With Profits policies to make sure we're following the guidelines and practices as outlined in the document '[Principles and Practices of Financial Management](#)' or 'PPFM'. This report provides details of the review for the year 1 January 2024 to 31 December 2024.

Managing With Profits policies involves expert analysis, evaluation and judgement. The PPFM describes in detail how we manage our With Profits business. Every year our regulator requires us to report to our policyholders on how we follow these principles and practices of Financial Management, including the results of our review. The report also includes details of any action we take during this review process to improve or correct the results.

For more information about the background to the principles, see sections [1.7 – 1.11 of the PPFM](#).

WHO IS THIS REPORT FOR?

This report is for customers with pension plans originally issued by Save & Prosper Pensions Limited, referred to as 'S&P' in this report. These plans invest in the Countrywide Assured Guarantee Plus Pension Fund (S&P Pensions Series), which was created to replace the fund previously set-up by S&P.

Separate reports relating to other With Profits business are [available](#).

Save & Prosper Pensions Limited

S&P was purchased in 2010 by Chesnara plc, our holding group since May 2004. The business was transferred to Countrywide Assured on 31 December 2011, which means Countrywide Assured has been responsible for the management and investment of your pension plan since 2012.

MONITORING OUR PRACTICES

Q HOW DOES THIS REVIEW HELP ME?

A A successful company takes care of its customers. For us at Countrywide Assured, this means looking after your money responsibly and effectively over the long term. This review helps us demonstrate that we are meeting our obligations to both our customers and our regulators.

Q WHY IS THIS PROCESS IMPORTANT?

A Managing our With Profits policies requires expert analysis, evaluation and judgement, and because they are long-term policies, it's important for us to show you, our customers, and our regulators that we take our responsibilities very seriously.

Q HOW ARE YOUR PRACTICES MONITORED?

A Our With Profits Committee has the responsibility of ensuring our practices are doing the job they are designed to do and meet the standards set by our regulator. It operates independently from the main Board of Directors, undertaking regular assessments and resolving any competing or conflicting interests of policyholders and shareholders.

Q HOW OFTEN DO YOU REVIEW YOUR PRACTICES?

A The With Profits Committee undertakes a formal review of our practices once per year. The committee meets at least four times and an independent With Profits Actuary attends each meeting. Last year, this was Karen Miller, an employee of Willis Towers Watson. The committee produces this annual report for policyholders, which includes a report by the appointed With Profits Actuary, see Appendix A.

Q HOW DO YOU DECIDE YOUR PRACTICES ARE COMPLIANT?

A The With Profits Committee regularly assesses our practices and procedures. Each year the appointed With Profits Actuary reports on whether or not our management and practices meet the criteria set out in the 'Principles and Practices of Financial Management'.

Q WHAT HAPPENS IF YOUR PRACTICES ARE NON-COMPLIANT?

A Should the With Profits Committee's assessment differ from those expected or fall short in some way, the With Profits Actuary will include explanations and recommendations on how to address them in their report.

Q WHO IS RESPONSIBLE FOR MANAGING MY WITH PROFITS POLICY?

A Countrywide Assured is responsible for the management and investment of your pension plan.

Q WHERE CAN I FIND OUT MORE ABOUT MY POLICY?
